Introduction

2015 Award Program Silver Sponsors

AHI Professional Excellence in Housing Awards

The Australasian Housing Institute Awards provide an opportunity to showcase social housing success stories. The Awards formally recognise and reward excellence in professional practice, from the grass roots to the most senior levels. They promote to our colleagues and the community at large the difference that social housing professionals make to people's lives.

The Institute has run an awards program since 2004. This program has become increasingly popular with members and other housing professionals. The National Award Winners will be announced during the **National Housing Conference 2015 in Perth** and a ceremony will be held after the Conference welcome reception on the **28th October 2015**.

Awards will go to housing professionals who are judged to have made a significant and lasting difference: to tenants or service users, to their community, to their colleagues and to their profession. The Awards recognise the contributions and achievements of our colleagues in the many disciplines which make up the housing profession.

WHY ENTER THE AWARDS?

The AHI Professional Excellence in Housing Awards provides the social housing sector with a platform to recognise and reward those who dedicate their career for the benefit of their community. Providing recognition for these outstanding achievements helps inspire others in developing a vibrant social housing profession.

The awards are free to enter and provide entrants with the opportunity:

- To reward great work and achievements by individuals and teams
- To recognise best practice and high standards of service
- To promote and celebrate innovation
- To develop and increase the profile of our profession

2015 Award Categories

The 2015 AHI Awards feature eight categories:

- **2 individual awards**, which recognises achievements of individuals who have made an outstanding contribution to the housing sector
- **5 team awards**, which are open to housing organisations or project teams, and
- **the Tenant Award** which is aimed at an individual or a group of residents or tenants who have undertaken a project or initiative to benefit others in their community.

The project or initiative may be applied to **no more than two categories**, please determine this in the Entry Form.
