Smoke Alarms

1) First post: Smoke alarms

Text Post - 90 characters

If you are renting, your flat must have working smoke alarms. Check yours today.

Newsfeed description - 30 characters

All student citizens!

Context Card Copy

Your landlord has to install your smoke alarms, but you have to change the batteries if needed. Never remove or disconnect them - it's against the law.

Insulation

1) First post: Insulation

Text Post - 90 characters

Renting a flat? Always ask to see the Insulation Statement.

Newsfeed description - 30 characters

All student citizens!

Context Card Copy

You no longer need x-ray vision to work out what to expect come winter. The Insulation Statement in your new tenancy agreement will tell you if there is insulation and the details about how much.
